## “Diversity Song” Worksheet

Follow the hints below to create a song about diversity. To create your melody, try singing on one note then gradually add other notes. Melodies go up and down by step or skip. Keep it simple.

Chorus

Line 1: In some ways we’re different and some ways the same

Line 2:

Line 3:

Line 4:

For the verses, give simple examples of how we differ from one another.  
e.g. I’m short and you are tall. I like... and you like...

### Helpful Hints

Create your own first line

Brainstorm words that rhyme with “same” to come up with line 2

Try singing to a familiar folk or pop tune

The verse could be in a call/response form. e.g. I like pizza - she likes pizza.

Try singing the verse on 2 or 3 notes

### Final form of this song
