“Hyperbole Song” Worksheet

Follow the hints below to create a song about Hyperbole. To create your melody, try singing on one note then gradually add other notes. Melodies go up and down by step or skip. Keep it simple.

Line 1: Fit as a fiddle or tall as a tree

Line 2: Is what we call Hyperbole

Line 3:

Line 4:

Fill in line 3 and 4 with examples of Hyperbole. Continue writing verses filled with hyperboles. There's no chorus to this song, just verses. The rhyme pattern could be A-A-B-B or A-A B-A or anything else you come up with. There is no wrong way.

Helpful Hints

Make a list of hyperboles and see which ones rhyme

Try singing to a familiar folk tune like “Bingo”

Find some “beats” on Youtube to help with the rhythm

Final form of this song
