“Sun-Moon-Earth” Song Worksheet

Follow the hints below to create a song about the sun, moon and earth. To create your melody, try singing on one note then gradually add other notes. Melodies go up and down by step or skip. Keep it simple.

Chorus

Line 1: The sun, the moon and the earth, we know

Line 2:

Line 3:

Line 4:

For the verses, write some facts about each one.

Helpful Hints

Create your own first line

Brainstorm words that rhyme with “know” to come up with line 2

Try singing to a familiar tune like “Bingo”

The spoken part could also be chanted (spoken in rhythm)

Find some “beats” on Youtube for the spoken part

Final form of this song

Chorus (sung)

Verse 1 (spoken or chanted) The sun...

Chorus

Verse 2 (spoken or chanted) The earth...

Chorus

Verse 3 (spoken or chanted) The moon...
