## “The Noun Song” Worksheet

Follow the hints below to create a song about nouns. Sing to the tune  
“Wheels On The Bus”

Line 1: Let’s find some nouns, some nouns today

Line 2: Like \_\_\_\_\_

Line 3: Nouns are persons, places or things

Line 4: Like \_\_\_\_\_

Repeat as needed adding new examples of nouns

You can use the same format for a song about Verbs, Adjectives, etc.

### Helpful Hints

You can make up your own tune if you want. Start singing on one note then gradually add more. Remember, melodies go up and down by step or skip. Keep it simple. There is no wrong way to do this. Have fun with it!

The melody may change over time too.

Try singing to a different tune. Adjust the tune to fit the words.
